

**VERY IMPORTANT INFORMATION ABOUT OUR SUMMER
READING PROGRAM FOR INCOMING 4-8 GRADE STUDENTS**

The computer lab will be open on specific days during the months of June and August to allow students the opportunity to take the AR summer reading quizzes. This would give students the advantage of reading a book and taking the quiz without waiting for the opening of school. This should help maximize quiz scores. Quiz taking usually takes 5-10 minutes.

**STUDENTS, PLEASE NOTE: REMEMBER, IF YOU HAVE
ALREADY TAKEN A QUIZ, YOU CANNOT RETAKE IT.**

The computer lab will be open for AR testing as follows:

Wednesday, June 16, 2010---9:00 AM---12:00 PM
Thursday, August 5, 2010---12:00 PM---3:00 PM

Reading teachers will test students who are unable to take advantage of these early dates and times when school resumes.
